

BISMARCK MEDICAL CENTER RADIOGRAPHY PROGRAM TUITION AND FEES

Students must continue to be enrolled and pay tuition each semester to their university of attendance during their two years in the program. This includes summer semester. All policies regarding payment must be paid according to the university of attendance.

Minot State University students must pay summer tuition directly to Sanford Health, which amounts to approximately \$1,200-\$1,400.

Financial Aid

The Sanford Radiography Program does not administer student financial aid programs. All financial aid arrangements must be made through the students' university of attendance.

Refund Policies

If a student withdraws or is dismissed from the Sanford Radiography Program, the Educational Institution will refund a portion of the tuition based upon the Educational Institution's regulatory refund policy. Sanford agrees to follow the same refund policy in regard to refunds made to Educational Institution. No refund will be given for textbooks or any other costs associated with the Radiography Program.

Expenses

The following are expenses required of students for the program:

Before entering the program

- Background check
- Immunizations
- Living expenses
- Transportation
- Uniforms (scrubs and shoes)/ approximately 3 sets of scrubs - \$175 – 250
- CPR (may need to pay when it needs renewal, while in the program)
- ARRT ethics review (pre-application, if needed) - \$100
- ASRT membership - \$35

Junior year

- Books – approximately \$600 (includes thyroid collar and Trajecsys)
- Influenza vaccine

Senior year

- Books - approximately \$500
- ASRT membership - \$35
- Influenza vaccine
- Online review - \$80
- ARRT exam application fee - \$225
- ND temporary license and application - \$65
- Fingerprints - \$15 - 25
- Record check fee - \$41

Professional Liability

The University, to which the student is enrolled, provides professional liability insurance for the student while they are in the program.

Student Injury

Students are responsible for their own medical care and health insurance.

1. Depending upon the extent of the injury, the student may choose to seek medical attention either at the Emergency Department or a clinic provider. It is the financial responsibility of the student. All students are required to have health insurance while in the program. Students must provide proof of insurance, prior to starting the program.
2. Report all injuries, no matter how minor, to the Program Director.

Standard Precautions

When contact with blood is expected, many exposure to the eyes, nose, mouth, or skin can be prevented by using appropriate personal protective equipment (e.g., gloves, eye shield, face mask, and gowns). Personal protective equipment will be used in any cases of contact with body fluids or contaminated equipment, and is provided by the hospital/clinic. Under Standard Precautions, all patients and bodily fluids are treated as potentially infectious.
